Mainely Knobs is a custom, wholesale manufacturer of granite, marble, slate, soapstone and engineered stone knobs fabricated from the surplus of clients' countertops or our stock material. Stone fabricators, architects, designers, home & boat builders and cabinetmakers may order knobs for resale to their clients.

Pricing: Please call for current pricing . Due to the custom nature of our work, Payment in full is required at time of order placement. Knobs will be shipped within 2 weeks of receipt of material and payment. *Mainely Knobs* will confirm all orders.

Material: Stone must be standard 1 1/4" thick, (28-32mm) with no surface scratches. Please call if you have other thicknesses. One square foot of material should be provided for every 30 knobs. Standard 8/32 cabinet screws are provided for all knobs.

Shipping, Handling & Insurance: Orders up to 40 knobs will be shipped, insured for full value, for \$15.90. Completed orders are carefully inspected and packed to insure the safe arrival of knobs to their final destination. Should damage occur in transit, please notify us immediately and a replacement will be sent.

Warranty: *Mainely Knobs* adheres to all State of Maine express & implied manufacturing warranty laws.
